## OVERNOR CABLES TO CALIFORNIA HAWAII'S SYMPATHY

Acting Governor A. L. C. Atkinson this morning filed the following cable messages of sympathy at the local cable office:

To Governor Pardee, Sacramento:

Hawaii sympathizes with California in the great loss of lives and property at San Francisco.

With whose citizens we are so closely allied by ties of blood, friendship and business.

Mayor Schmidt, San Francisco:

Hawaii feels deepest sympathy for San Francisco and stands ready to render any assistance in its power.

What can we do?

ATKINSON,  
Acting Governor of Hawaii.

## CABLE AROUND THE WORLD IS WORKING

Cable service around the world by way of the Orient is all right, and this morning several expensive messages were sent that way. Up to 11:30 o'clock, however, no replies had been received. The tolls for messages by way of the Orient to San Francisco is \$2.55 a word, and a reply of 100 words would mean a considerable expenditure. Nevertheless there are plenty of people who are not hesitating to spend even more than that amount to hear from relatives and friends.

One man hurried into the cable office this morning and excitedly declared that he must have communication with San Francisco at any price. His mother is there and to ascertain her condition he is willing to spend money freely.

It is quite probable that the telegraph lines entering San Francisco are out of service as well as the cable line, and that it would be almost impossible to get messages delivered to individuals within a short time. Thus the crowds of excited people who are waiting for news from their homes are doomed to wait, probably, for an indefinite period.

### KAWALO TAKES OATH.

Lihue, Kauai, April 16.—David Kalanui's term as district judge at Kapaa expired last week, and the residents of the district were wondering who his successor was to be when the news came that J. H. Kawalo had received the appointment. He took his oath of office before Hon. Jacob Hardy, judge of the Fifth Circuit Court, last Wednesday and entered upon his duties the next day.

Mr. Kawalo is well and favorably known in his district, where he has resided for many years and been employed as a clerk by the Makoe Sugar Co.

The retiring judge was a capable man, but the disclosures of his connection with a gambling den in Kapaa, brought to light at this time of court, necessarily precluded all question of reappointment.—Garden Island.

Gilaca's perfected sugar cane cutter was on the wharf ready for shipment to Honolulu aboard the Sonoma at San Francisco when that city was shaken by the earthquake shock this morning, and was likely lost in the fire that followed the convulsion of nature. Whether it was ashore or afloat is what Thelen is worrying about.

Irwin & Co. must have the permission of the postal authorities before the mail on board the ship can be held.
